XCELSIOR SPRINPS O BE HERE FRIDAY

R TITLE CLASH WITH SPOOF-HOUND FOOTBALL TEAM

AYSVILLE VS. PRINCETON

ne Friday—Willoughby Sustains Broken Nose In Game Yesterday With Tarkio

Maryville's High School football m will contend for honors with the celsior Springs High School team the College Field Friday afternoon. e Excelsior Springs squad will ar- e tomorrow noon. This is the ar- gement that has been made be- en the athletic departments of the schools, according to Harold G. ert, this morning, after each high ool was negotiating to have the ne played on its own field.

he victory of the Maryville High ool football team over Tarkio by 2 to 0 score and the overwhelming eat of 33 to 0 that Excelsior ings administered to Smithville ngs these two teams together this ek in the semi-finals in the cham- nship race of the Northwest Mis- ri Athletic Association.

Maysville plays Princeton Friday in emi-final game. The winner of the ysville-Princeton contest and the ryville-Excelsior Springs game will et in an final struggle of the sea- on Turkey Day for the high ool football championship of north- t Missouri.

Maryville High School football yers emerged from the struggle sterday with Tarkio in fairly good ape. Harold G. Ebert, High School ch, said that some of his men re bruised to some extent but that to be expected. The only serious ury suffered by any local ball lug- s was the broken nose sustained Willoughby, quarterback.

Vivian Marsh, who is coaching the celsior Springs football team, is a ake man, having been on the Bull g team that was undefeated for two ars. He was captain of the Drake ven last year. In 1920 he and Har- l G. Ebert, coach of the local high hool team, were team mates.

The Spoofhounds took revenge on rival Tarkio Football squad yes- rday for the defeat suffered earlier the season taking the Tarkio meas- in a 12 to 0 fashion. By virtue of s win Maryville is sub-district ampion and advances to the semi- nal round of the contest.

After battling to a scoreless tie in first half the Spoofhounds offense k to action and scored the initial uchdown of the game. The road to e touchdown was paved by the end e touchdown was paved by the d runs of Willoughby and Smith o skirted the Tarkio defense for gains bringing the ball to within e yards of the goal. Smith dived er the line for the score, Willough- failed to kick goal.

With a lead in their possession the aryville men played a defensive me against the Tarkio aerial attack til Chick snagged a pass and ran ough the secondary defense to the e-yard line. On the first attempt mith was held at the line. Miller en plunged over for the second arker.

Willoughby played his usual stellar le at quarterback and by pivots and ists on off-end plays amassed a rge part of the Maryville gains. All the co-workers in the backfield ade ground on line plays and spiked ell for the end runs.

Ogden was out of the line-up but ill be able to play in the fray Friday. Reservations for the game can be ade now at Kuchs Bros.

SALVATION ARMY WILL START DRIVE

GEORGE B. BAKER IS CHAIRMAN OF COMMITTEE.

BEGINS AT 9 O'CLOCK

Number of Men Have Been Named as Solicitors for the Drive—All are Asked to Contribute.

The Salvation Army drive for funds in Maryville will start at 9 o'clock tomorrow morning. A meeting of a number of representative citizens was held this morning for the purpose of forming an organization to make the drive.

Captain George Wilson, state campaign director from St. Louis, was present and outlined the purposes for which the money is raised and how the money is spent. Captain Wilson stated briefly two girls from this community were cared for in one of our institutions last year in St. Louis involving an expenditure of more than half the quoto asked for at this time. At the conclusion of Captain Wilson's talk the following men were appointed on the appeal executive committee: G. B. Baker, chairman; J. D. Richey, treasurer; C. E. Wells, secretary.

To avoid any delay the committee has appointed the following men to give a few hours of their time Thursday to solicit funds:

Roy F. Hanna, S. G. Gillam, J. D. Richey, Dr. F. M. Ryan, W. A. Miller, F. S. King, L. L. St. Clair, C. E. Wells, L. H. Brownfield, James Todd, Fred Hull, Rev Jos. Cooper, C. F. McCaffrey, L. M. Eek, C. A. Wadley, Rev. S. P. Allison, Dr. C. C. James, Geo. L. Wilfley, Theodore Robinson, Ed Condon, G. B. Baker, Dr. H. L. Stinson, S. H. Kemp, E. L. Townsend, L. E. Ziegler.

Uel W. Lamkin, Gus Romasser, H. L. Haines, H. L. Raines, Henry Wright, Wm. Stanley, J. R. Lowry, J. E. Holt, H. T. Hooker, Clun Price, Chas. Gaugh, Howard Evans, R. P. Hosmer, W. F. Phares, K. P. Phares, C. L. Gann, M. A. Lewis, Jr., F. P. Reuillard.

Prospect cards will be made out by a committee and each solicitor will have a limited number of cards indicating the names and prospect amounts to be given. No man is asked to take more than ten cards or about one-half day's work.

The quota for Maryville has been fixed at $1,050.

Chairman Baker stated in an interview that he was heart and soul in sympathy with this movement and in accepting the chairmanship, he further stated that he was only doing a small part towards such a worthy cause. Chairman Baker further requested that every man appointed to some task in this worthy work to kindly respond and that every one approached for a contribution to give all they can and to meet the solicitor with a smile and check.

Captain Wilson in a statement said: "A girl's head is bowed in shame. To the eyes of her friends, her own father and mother, her sin is stupendous, insurmountable, irrevocable.

"Soon the world will know. Maybe it knows already.

"Cruel, penetrating eyes are turned upon her. Women sneer, men leer, and around her there are many whisperings. Ruthless eyes search her out, malicious

It's a Great Life

The Democrat-Forum received 101 telephone inquiries yesterday afternoon regarding the Maryville-Tarkio football game.

A slant on human nature can be gained by the manner and type of the questions asked regarding a sporting event such as the one yesterday.

About 75 per cent of the callers yesterday were women. They were generally more precise in their questions than the men. For instance one woman asked, "Would you be so kind as to tell me how the football game between Maryville High School and Tarkio High School is coming out?"

The men made it short and snappy. Most of them simply asked, "What's the score?" Others inquired, "What's the dope on the game?"

As to politeness, the women were in the lead. Most of them did not forget the "Thank you" when the information was given.

Home town loyalty is the same, whether it is in New York, San Francisco, New Orleans or Minneapolis. When Maryville came through two scoreless quarters, the inquirers wanted to know, "Wonder what's the matter with 'em?" or "We're playing a good game anyway."

But a score brought shouts of joy and more politeness too. The men said, "Hooray," or "Say, isn't that great?" The women said, "Oh, isn't that fine? Thank you very much," or "Maryville ahead; when will it be over?" One woman asked, "It that the latest report you have?"

Oh, it's a great life!

Rt. Rev. Abbot Philip Undergoes Operation

The Rt. Rev. Abbot Philip of Conception Abbey was operated on this morning at St. Francis hospital for gall stones. His condition this afternoon was reported to be serious but with fair chances of recovery. The operation was performed by Dr. C. V. Martin. Abbot Philip was on the operating table for two hours and twenty-five minutes, being the second longest operation Dr. Martin ever had.

Abbot Philip is about 57 years old and has been in charge of the Abbey at Conception since the death of Abbot Frowin Conrad in June, 1922.

Mrs. Robinson to Kansas City.

Mrs. J. B. Robinson left this morning for a ten day's visit in St. Joseph, Kansas City and Wichita, Kansas. She will visit a sister, Mrs. M. J. Lloyd, at the latter place, and another sister, Mrs. C. M. Chilton and other relatives in Kansas City.

At Electric Theatre.

Motion pictures of the International Match Race for $100,000 run October 20 when Papyrus and Zex participated, will be shown at the Electric Theater Friday night. All details of the events of the day and race and also Papyrus and Zev in training and in try-outs are shown in the film.

Mrs. Charles Eaton and son, Harold, of Barnard attended the Maryville-Tarkio football game yesterday.

Mrs. T. F. Reimer went to to St. Joseph this morning to spend the day.

WIN AWARDS FOR FINE BULLS SHOWN

C. D. AND E. F. CALDWELL CAPTURE GRAND CHAMPIONSHIP

SHOW IS ATTRACTIVE

Angus Entries At American Royal Show Are Greater Than Ever Before—Bellows Makes Statement

C. D. Caldwell and son, E. F. Caldwell of Burlington Junction, won senior and grand championship bull award on Black Marshall 5th yesterday at the American Royal Show in Kansas City.

The Angus entries at the show were 100 per cent larger than last year, evincing a greater interest in the Royal Show by breeders of this cattle. The Caldwells, who have not shown at the Royal for three years, came back strong. Three bulls, owned by them, won the group exhibit.

The following were the awards to the Caldwells:

1 and 3 on Black Marshall 5th and Bertram's Blackbird, in the aged bull class; 5 on Black Benedict in the two-year-old bull class; 3 on Education in the senior yearling bull class; 3 on unnamed in the junior yearling bull class; 1 on Either in the junior bull calf class; 1 in the class of three bulls any age; and senior and grand champion bull on Black Marshall 5th.

On Herefords, Jesse Engle & Son of Sheridan took 8 and 10 on Beau Blanchard 139th and Beau Blanchard 142d in the junior yearling bull class; 13 on Beau Blanchard 156th in the senior bull calf class; 1 and 20 on Beau Blanchard 155th and Beau Blanchard 164th in the junior bull calf.

On Shorthorns, A. O. Stanley of Sheridan was third on Marshal's Marksman in the senior bull calf class; twelfth on Knight Supreme in the junior bull calf class.

C. P. Dowis of Sheridan captured fourth on Dowis Model in the Spotted Poland China show in the senior yearling boar class.

Seasoned cattle men in attendance at Kansas City prophesied the Royal would equal if not outstrip the great International Livestock Exhibition at Chicago in a few years.

C. D. Bellows of Maryville, president of the American Royal Show at Kansas City this year says:

"The American Royal is centrally located in the corn belt of the United States. That is the logical center of the cattle industry. Kansas City draws upon the pasture lands and grazing area of the South and Southwest and therefore is better located as the capital of the livestock industry than Chicago. It is my belief that the Royal can amalgamate the interest of the middle western cattle men and draw them here. I will say that the International will be playing 'second fiddle' to the Royal perhaps in five years."

Movie Show at College Assembly This Morning

At the College assembly this morning a Pathe film entitled, "Chronicles of American History" was shown. The film dealt with the discovery of America by Columbus.

It was a part of the series being made under the supervision of the Yale review.

RELIGION MUST BE USED IN BUSINESS

"GOLDEN RULE" IS NEED, SAYS DR. SHORT AT BANQUET

COOPERATION NECESSARY

Individual Human Recognition Is Problem Of Laboring Man Today, Speaker Tells Audience

"What America needs today is a greater spirit of co-operation, a more kindly interest in the welfare of all citizens, and a more practical application of the Golden Rule in everyday life."

This was the key-note of the address last night by Dr. Francis Burgette Short, educational director of J. C. Penney Co., at the Chamber of Commerce banquet in Residence Hall.

"If we would only do this, it would put a different complexion on the horizon of the future," Dr. Short continued. "The great problem of the laboring man today is not to get more wages, but individual human recognition."

About 140 persons attended the banquet last night. The Rev. Joseph A. Cooper acted as toastmaster. Invocation was pronounced by the Rev. S. P. Allison. Musical numbers were furnished by Luther A. Richman, T. H. Annett, and Miss Ann Leonard, of the faculty of the College Conservatory of Music.

A sound economics, a constructive patriotism and a spirit of equity and fair dealing were the essentials named by Dr. Short to construct a lasting civilization, and these three principles were the basis of his address last night on "Religion in Business."

"Big business needs religion" Dr. Short declared at the outset of his address. "But we have listened to this word, 'religion' so much that it does not grip us any more. We must put in its place the word, 'righteousness.' We need to have in America a spirit of co-operation in business affairs and the only thing that will ever bring this about is the practical application of the gospel of Jesus Christ."

Labor has a right to share in the distribution of the capital, the speaker said, and if capital would only give to labor the rights and privileges it enjoys, there would not be the great chasm that now exists between the employer and employe.

"In the world in which we live every man ought to be big enough to know that there are other men in the community who like recognition just as much as he does," Dr. Short asserted.

The prevailing custom of putting number tags on employes was bitterly assailed by the speaker when he asked. "How would you like to be called No. 42 instead of the name God gave you and intended that you should have?"

The so-called "peanut politicians" came in for their share of panning last night when Dr. Short declared, "If we could run out of America all these little petty politicians, who live for self alone, we would be able to establish a patriotism that would influence the world."

Very frankly and innocently the speaker confessed he was a Republican but offered no apologies. He lauded former President Woodrow Wilson by declaring, "There isn't a man in America who has had finer constructive ideals.' Taking a slap at "Jim" Reed and his recent reply to Wilson's Armistice speech, Dr. Short said, "What the world needs is less of criticism, more of sympathy and human concern, and more of the religion of Jesus Christ."

Referring to the present "bloc" system of legislation, the speaker said, "The world cannot prosper if we play one bloc against another. What we need in America is men who can understand all of the needs and problems of the entire nation."

But religion in business must not be a religion of denominations, Dr. Short contended. It must not be doctrines or dogmas, he said.

"We are continually preaching doctrines and dogmas when we ought to be out among the poor and needy, giving them the necessities of life," Dr. Short continued. "What we need to have in religion is just a little bit more of good old-fashioned common sense."

W. G. McAdoo Leads in South Dakota Primary

Has 6 To 1 Majority Over Henry Ford, Nearest Competitor—Convention To Be Held December 4

Sioux Falls, S. D., Nov. 21—William G. McAdoo held a lead of 6 to 1 over Henry Ford in returns from more than one-half of the sixty counties sending delegates to the state primary convention at Pierre December 4, according to a statement of party leaders today.

In the Republican convention, the contest between President Collidge and Senator Hiram Johnson of California was passed to the state gathering for settlement. Virtually the entire state selected uninstructed delegates in the county conventions yesterday. Many of the Democratic delegates were sent uninstructed, but state chairman, W. W. Howes identified what he termed a large working majority for McAdoo in the selection.

PRINCETON TEAM IS DISQUALIFIED TODAY

MEMBER OF MERCER COUNTY 11 IS DECLARED INELIGIBLE

THREE TEAMS IN RACE

Maryville, Maysville and Excelsior Springs Football Aggregations Now Will Fight For Title

The Princeton football team was thrown out of the race for the championship of Northwest Missouri by the action of the board of control of the Northwest Missouri Athletic Association, meeting in St. Joseph this afternoon.

G. Bryan, a member of the Princeton team, was charged with playing professional football, he being a member of the Trenton Merchants organization. This disqualified him and his team from participating in the race for the championship.

The Maysville-Gallatin case was taken up late this afternoon, but no decision had been reached at press time. Gallatin accuses Maysville of unnecessary roughness in the game recently played between these two teams, in which Howard Walton, a member of the Gallatin organization, suffered fatal injuries.

Maysville, Excelsior Springs and Maryville are the three remaining teams in the championship race.

Wm. Geist, Injured in Accident, Brot Home

Receives Deep Gash in Forehead in Auto Collision November 11 in Kansas City.

William Geist, who was injured in an automobile accident in Kansas City a week ago Sunday, was brought home last night by his parents, Mr. and Mrs. Lloyd Geist, 312 North Walnut street.

William Geist, 21 years old, was riding in a Dodge car with four others on Eleventh street, Kansas City, about noon, November 11, when a Ford coupe hit the rear end of the Dodge at the intersection of Pasco avenue and Eleventh street. Three of the occupants were injured, Geist suffering the severest injuries, sustaining a deep gash above his left eye that ran up to his scalp. He was immediately taken to the General Hospital, where twenty-three stitches were required to seal the wound.

Geist has been working for the Berger Manufacturing Co. in Kansas City for nearly a year. It is thought that he will be laid off from work for about a month and he will remain home with his parents until able to return to his duties. His father said this afternoon that his wound is just starting to heal. Mr. and Mrs. Lloyd Geist have been in Kansas City for over a week.

King Tut's Tomb Is Guarded by Soldiers

Following Discovery Of Plot By Native Grave Robbers To Steal Mummy and Relics

Luxor, Egypt, Nov. 21—A detachment of British soldiers arrived here today to guard the tomb of Tut-ankh-amen, following a discovery by Howard Carter of a plot by native grave robbers to enter the tomb and steal relics.

Carter, fearing that the native robbers might break open and steal the mummy, asked the English government for a guard of soldiers.

WALTON DEFEATED IN FEDERAL COURT

JUDGE SUSTAINS MOTION TO DISMISS INJUNCTION

VACATES CAPITOL TODAY

Once Hailed As "Moses Of Southwest," "Jack" Walton Quietly Vacates Gubernatorial Suite

Oklahoma City, Nov. 21—Another attempt of former Governor J. C. Walton to check the execution of the verdict of the impeachment court failed today when Judge John H. Cotteral of the district federal court sustained a motion of the state of Oklahoma to dismiss the application of former Governor Walton for a temporary injunction.

After brief arguments from the state and Walton's attorneys, Judge Cotteral took immediate action. The records of the federal court hearing will be certified at 3 o'clock this afternoon, thereupon Walton will immediately proceed to take action on appeal to the United States Supreme Court, Judge Riddle said.

"Otherwise, the appeal will be on a legal question," he added.

Attorneys for Walton filed a petition charging the Ku Klux Klan with conspiracy against the former governor and that he "had been deprived of his constitutional rights and due process of law" by the impeachment court.

Attorney-General George F. Short of Oklahoma presented a motion to dismiss the application for an injunction. He represented Governor M. E. Trapp and the state legislature. Short declared the federal court did not have jurisdiction in a purely state political matter and that Walton's application was frivolous.

Oklahoma City, Nov. 21—Former Governor J. C. Walton, once proclaimed "the Moses of the Southwest" after he was ushered into office by the world's greatest barbecue, quietly moved out of the gubernatorial suite in the statehouse today.

Just as quietly Governor M. E. Trapp, whose parents were '49 miners, moved in.

There was no inaugural address from the new governor. He was expected, however, to send a message to the legislature this week during the immediate passage of an anti Ku Klux Klan measure.

Walton's case was finally closed so far as the state is concerned by the signing of the order of removal late yesterday. Walton's attorneys tried to file a bill of exceptions to the order but the request was denied by the court. Today, the former governor was to go into federal court with an injunction that would prevent the execution of the impeachment court's judgment. The same court refused its jurisdiction in the impeachment matter some time ago.

Chairman W. E. Disney of the House board of managers, who probably will be a Democratic candidate for Governor or United States Senator at the next election, termed Walton's bitter statement against the Ku Klux Klan as "preposterious."

"He is simply up to his old tricks of trying to hoodwink the people outside of Oklahoma and raise some money," another member of the prosecution said this morning.

The legislature was to grind ahead today, discussing the records of other officials. Impeachment charges will be placed against Charles H. Ruth, Supreme Court commissioner, in the House, according to the board of managers. Ruth will be accused of illegal traffic in pardons and paroles, it is said.

Two Autos in Crash Corner 6th and Main

An Overland touring car driven by Herman Miller and a Ford touring car driven by Albert Shelton crashed head-on at the corner of Sixth and Main streets shortly after 1 o'clock this afternoon. No one was injured.

Miller was driving his car west on Sixth and Shelton was going north on Main when the impact happened. The radiator on the Ford was damaged and the axle near the left front wheel of the Overland was broken. Herman Miller is a son of Prof. H. A. Miller.

HOW BEAUTIFUL.—How beautiful are the feet of them that preach the gospel of peace, and bring glad tidings of good things! — Romans 10:15.

THE SOLDIER BONUS

California has the best method of handling the Soldier Bonus proposition adopted by any State and one which might be studied with profit by the United States.

The legislature provided a revolving fund of a sufficient number of millions. This fund was to be used for those men who served in the war from California. But it was not to be given to them in little dabs and dissipated. The plan was this:

Soldiers filed with the commission in charge an application showing their service. When they proved up they were entitled to borrow a sufficient amount of money to buy or build a home. In the cities the soldier could borrow five thousand dollars for a home. He does not have to own a lot or anything else. The property desired is appraised and if it is worth the money the price is advanced and the home is bought. The man who wants to live in the country and establish a ranch was entitled to borrow eight thousand dollars.

The beauty of the plan lies in the fact that the money for a home may be had without cash equity to start with and that it is paid back on the amortization plan, a small monthly payment cancels the whole debt in a given number of years. The payment is not much more if any more than the amount the home builder would have to pay in rent. As soon as the revolving fund is loaned out in this way the monthly payments begin to come in and these are added to the fund, providing more money to be loaned to home owners.

When the plan was placed in operation the soldiers were given place at the table according to priority of application with this exception. Those who had been wounded or disabled in the service were served first. It is estimated that on January first of next year all the list of disabled will have been taken care of and then the able bodied young men will be placed on the list for the home-owning plan.

In Missouri we have already dissipated fifteen million dollars in small, insignificant sums which have been spent and we must now vote four or five million dollars more to finish the job. The State owes the bonds which will appear in every tax receipt issued for the next twenty years. Many soldiers will pay more in taxes that they received in cash. By far the great majority of the bonus payments did not do the recipient any good. There were, of course, exceptions where the thrifty used the one hundred or two hundred dollars to pay on a home or for some other fine purpose and really got that much good out of it.

The discussion at Washington provoked by Secretary Mellon in his statement that a large tax reduction might be made next year if the nation did not pass a bonus act is in a way disgraceful. The American Legion has attacked the plan in such a way that the reaction will be in favor of the Secretary. With a wise leadership the American Legion could accomplish any legislation it desires. The American people feel that nothing is too good for the men who wore the uniform. But the American people are not ready to vote for any scheme presented, whether well digested or not. A plan such as that in effect in California would at once receive united support from all the States.—Independence Examiner.

FACTS.

Do You Know That:

—3 out of every 4 unfortunate girls cared for in Salvation Army Rescue Homes and Maternity Hospitals come from the smaller towns and rural districts.

—There were cared for in these institutions last year an average of over two girls from each county in the State of Missouri.

—The Salvation Army furnishes these girls with board, room medical attention, teaches them to be self-supporting and sends the mother and babe into the world only when the mother is ready to make a living for both.

—Over 4,000 such girls passed through the 31 Salvation Army Maternity Hospitals last year.

—These cases average the necessity of an expenditure of hundreds of dollars each.

—The Salvation Army is ever ready to serve such unfortunates in your community should occasion arise.

—This is but one of the 16 major activities of the Salvation Army whose reason for being—yes—whose passion it is to "Meet the Need"—TO REACH THE UNREACHED.

—More applications are being made for admittance to these institutions than can be cared for in the homes and hospitals themselves—The Salvation Army is urgently in need of money to build new additions to meet this increased need—and if each community would do its part towards subscribing the necessary money to carry on this great work the full need could be met.

—You and every citizen that believes in the Salvation Army way of handling this great problem should subscribe generously to the support of these institutions.

—You should give this week ,as you can afford, your subscription for the year to the Salvation Army.

—Thus you will help it to help others.

'Tis Time to Think of Christmas

Nothing else you can give will render the pleasure that Christmas Greeting Cards will.

Christmas is swiftly approaching, and the wise person, realizing that engraved Greeting Cards are a product of time and skill, will arrange to place his order very soon.

All orders for special engraving must be placed before November 26. We cannot accept these special orders after this date because it is impossible to get the work out in time for Christmas. We will endeavor to fill throughout the month of December all orders calling for cards as sampled.

Hundreds of Farmers Expected at Union

M. F. A. Plans Ready For Formal Sending Off Of the "Producers' Contract"

Columbia, Mo., Nov. 21—Hundreds of farmers are expected to participate in the demonstration at Union, Mo., Saturday, November 24, which will formally inaugurate the state-wide campaign of the Missouri Farmers' Association for its co-operative marketing "Producers' Contract" plan.

It was announced here today that the Association has filed articles of incorporation at Jefferson City. In the future the Association will be known as the Missouri Farmers' Association, Incorporated, a non-stock membership corporation.

A constitution and by-laws will be adopted Friday, November 23, at a special meeting in St. Louis.

Secretary Cowden said that as a non-stock Association it expects to create a fund of $1,200,000. This will be the largest financial undertaking ever put forth in farming in the Corn Belt. Such a fund, Secretary Cowden said, would put the Association on the strong financial footing that is enjoyed by the Pacific Coast Fruit Growers, Southern Cotton Growers and tobacco planters of Kentucky, which are using a similar producers' Contract, the difference being that each of these deals with single commodities, while the Missouri Farmers Association will deal with grain, livestock, poultry and eggs, and dairy products.

The fund which it expects to create will among other things, be used to start the construction of large, centralized creameries which the Association decided upon recently, following the report of a special committee which visited the state of Iowa, Minnesota and Wisconsin.

Everything is in readiness for the inauguration of the co-operative plan at Union. Hundreds of farmers are expected to stage one of the biggest agricultural demonstrations in the history of Missouri. Plans call for a parade and an all-day meeting. Scores of farmers' wives will serve dinner to the farmers. Speakers will include, President William Steiner, of New Haven, Mo., Vice-President John Kelley, of Tipton, William Hirth, of Columbia, and others.

With the campaign under way in Franklin County, the Association expects to start similar campaigns in other counties as rapidly as possible. The movement to organize Gasconade County which borders Franklin County, will be started Dec. 10.

Secretary Cowden said that applications had been made from every county in the state by farmers anxious to sign the Contract.

"We have received a deluge of requests from farmers all over Missouri, asking for a chance to sign up," Secretary Cowden said. "But we do not intend to turn it loose indiscriminately, for if it is to assure us favorable position in both the local and central markets, then it must be signed by not less than 75 per cent of the farmers in each community. Our field men will go from county to county as quickly as the territory can be completely canvassed.

"These requests indicate that the farmers in Missouri have been waiting for the co-operative movement; it further indicates that they no longer look to politics to give them relief, but that they realize that their problem is one that requires them to organize carefully and thoroughly on an orderly basis and be sure that their marketing is of the same orderly nature."

Frank Barmann and Earl Barmann went to Kansas City this morning on business.

Captain Geo. Wilson Talks to H. S. Students

Girls Have Bee nOrganized and Will Sell Doughnuts on Streets All Day Saturday.

Captain George Wilson of the Salvation Army, accompanied by the Rev. S. P. Allison, visited the high school this afternoon and the former made a speech at the assembly.

"The purpose of the Solvation Army," Captain Wilson said, "is to reach the unreached."

The girls of the four classes have been organized into two groups; the sophomores and seniors, and the freshmen and juniors. The contest will be on selling doughnuts for a $1 apiece Saturday for the Salvation Army. Prizes of $10 or a silver loving cup are offered. If the sophomres and seniors win, they will take the $10 for the benefit of the Maryvillian, the high school annual. If the freshmen and juniors win, they will take the loving cup.

A similar contest was held in Chillicothe and about $700 was taken in by this manner.

Federal Jury Finds Dr. F. A. Cook Guilty

Once Famous Explorer Convicted on Twelve Counts—Sentence to Be Pronounced Tomorrow.

For Worth, Texas, Nov. 21. — Dr. Frederick A. Cook, famous for his inability to convince the multitudes that he discovered the North Pole, was today found guilty on twelve counts by the federal jury, reporting a verdict after twenty hours of deliberation. The jury announced that it had reached a decision at 2 o'clock this afternoon.

Immediately, Federal Judge Killits ordered the defendants to appear. Fifteen minutes elapsed before several of the twenty-two accused appeared in the court room. Verdicts of guilty were rendered by the jury against all of the twenty-two, several of whom had already entered pleas of guilty.

Judge Killits, in all probability will pronounce sentence late today or tomorrow morning. It is a foregone conclusion that all of the deefndants, with the exception of those pleading guilty will appeal their cases.

Life Saving Work Of Red Cross Corps Wars on Drownings

The insignia of the American Red Cross Life Saving Corps on the bathing apparel of men, women and youths is seen everywhere at favorite bathing places along the coasts, rivers, lakes and ponds. In its unrelenting campaign to reduce loss of life by drowning the Red Cross is making constant headway. The demands for instruction from organizations in all parts of the country were so numerous the past year that it was necessary to more than double the staff of Red Cross instructors. This work of training for water life-saving showed an enrollment of over 30,000 volunteers enlisted for duty on patrol, for rescue and resuscitation, all competent to instruct others in the standard water-safety methods. The Red Cross by request of the War Department gives water first aid training at the United States Military and Naval academies and in the military training camps for reserve officers and civilians. The four cash prizes awarded by the Red Cross last year for heroic rescues were conferred upon two girls, a boy and a man, indicating that the youths of the country stand well at the top in conserving life along our water courses.

Red Cross Field Of Action Covers All the World

Represented by 93,668 members, the American Red Cross penetrates to nearly every part of the world. The insular and foreign roll call statistics for the past year are a most conclusive manifestation of the Red Cross spirit carried into the most remote lands. In Europe there are 4,088 members; in Turkey, and active in the Constantinople Chapter, 3,545. China has an enrollment of 2,252; Africa, 136; India, 224, and Australia, 29. Even Vladivostok, in frigid Siberia, has a live chapter with 100 members. The Philippine Islands can mobilize 58,747 under the Red Cross banner and Hawaii 7,863. The total funds raised through foreign and insular membership enrollment and sent to national headquarters in Washington mounted to $60,216.54, while an additional $33,350 was forwarded for the endowment fund of the American Red Cross. The high seas roll call in 1922 was an inspiring success. The Navy signed on 4,331 for the Red Cross and the merchant ships 4,141. Of the total membership outside the United States 83,990 are registered with chapters in foreign lands, the insular possessions and dependencies.

"I want to; therefore I can!" is the spirit that spurs the Red Cross worker in well-doing.

Treasury Issues New Savings Certificates

Postmaster John F. Hull has received notice from the Postoffice Department that the sale of the present issue of treasury saving certificates will be discontinued on November 30, of the $1,000, $100 and $25 denominations at the prices of $820, $82 and $20.50, respectively, and that on December 1, the sale of the new issue of like denominations and maturity values will begin.

The selling price of the new issue will be $800, $80 and $20, respectively. The new issue will be known as the issue of December 1, 1923, and the selling price will yield approximately 4½ per cent interest compounded semi-annually if held until maturity, five years from date of issue. If redeemed before maturity they will yield about 3½ per cent.

Certificates of the issue of September 30, 1922, will be returned to Washington.

The 1919 War Savings Certificates, now due for payment, will be accepted in payment for the new issue beginning December 15, on the same plan as the 1918 issue was taken up last year.

Over 200 Converts at Meetings Thus Far

"The Keys To The Kingdom" Was Subject At Tabernacle Service Last Night—Board Meets Today

"The Keys to the Kingdom" was the subject of Mr. O. E. Hamilton's sermon at the tabernacle last night. The audience was large and the response was good. There were ten confessions at the close. The number responding to the invitations as a result of the tabernacle meeting has passed the 200 mark. Mr. Hamilton spoke at the Union school house on Monday night with two additions and Mr. E. P. Taggart held services at Workman Chapel with seven confessions. With the ten who responded Sunday, there have been 29 added so far this week.

Several were baptized last night. There is baptizing every week night at the beginning of the service, 7:15. Several attended the meeting last night from over the county. The meetings continue every night this week at the usual hour. There is being held this afternoon a County Board meeting, to talk over the length of time the Tabernacle meetings should continue and to begin arrangements for the follow-up meetings in the churches.

Everybody is invited to help make the remaining days of the meeting the very best.

Civilization Owes Debt to Good Roads

Law and Order Always Follows the Broad Highway.

That civilization owes a great debt to the highway builders can be understood by reference to history. The first European highways were those which went out from Rome, that the Roman soldier might have easy and quick access to the remotest bounds of his great empire. With him went law and order. Later, over the highways, went the school master and the college, the education, the institution and its teachers. The missionary of the Cross used the highway, the church spread its doctrine over the highway, and to this day, the great churches, schools, colleges, hospitals, and institutions for the amelioration of the condition of mankind, are found always on, never away from, great highways.

It is the highway which made the city, not the city the highway. It is the highway which made the demand for the railroad, which is but a steel highway over which all freight must move sometime, the highway over which must travel all that is good, noble, desirable in life.

Where good highways are, there is a good civilization. Where are poor highways, are usually ignorance, poverty, disease, lawlessness, lack of culture, poor standards of living, misery.

Investment in highways means investment in civilization!

Corset Instructions On Fitting, Wear and Care of Corsets

Wednesday, Thursday and Friday

Miss Betty Person, special reresentative of The Royal Worcester Corset Company of Chicago, arrived in Maryville this morning and will be in the Corset Department until Friday evening giving special instructions in the selection of the proper model for the various types of figure, the correct fitting and the advantage to the customer in being properly fitted, the wearing qualities of the various fabrics and models, and the proper care of the corset to insure real corset satisfaction.

Our new Fall and Winter stock of corsets and brassieres is here, and offers a wonderful variety of selection. There is a model here to meet the requirements of every type of figure, and a price to meet every pocketbook.

Whether you are interested in buying a corset or not, Miss Person will be glad to have you visit the department and get some of the information that she has been years in gathering. Two graduate corsetieres are in charge of the department to give you real fitting service, and for this three days Miss Person will assist and give instructions on all fittings.

Remember, we begin giving away high shoes tomorrow FREE with each pair of oxfords or slippers sold at Special Close-Out Prices.

Says Bear Cats are Doped to Win Friday

Chillicothe Star Will Be Out Of Game Friday—Ducks Lost To Kirksville 21 To 0

The following story is taken from yesterday's Chillicothe Tribune with reference to the football game to be played there Friday between the Chillicothe Business College and the local Bear Cats:

Coach Ransdell resumed practice with the Duck squad last evening working out the stiffness resulting from the grilling contest with the Kemper cadets last Friday and shifting his back field so as to fill the position of Woods, regular fullback, who is out for the balance of the season because of injuries in the Boonville game. The squad realizes that the game with the State Teachers College of Maryville to be played here on the home gridiron Friday will no doubt be the hardest proposition the business college has tackled this season, as this is the team which defeated the Kirksville State Teachers College, a team which took the business college boys to a 21 to 0 cleaning in the first game of the season.

Elliott and Fidler are somewhat crippled and battered because of the Kemper fray, but theirs are not serious injuries, so they may be counted upon to be in the lineup for Friday's game. While this is not a conference game and thus will have no bearing on the conference race, yet it is being watched with much interest as giving a line on the strength of the two conferences, the Missouri State of which the business and the military school are members, and the Missouri Intercollegiate Athletic association, made up of the colleges, both state and denominational. C. B. C. lost to Kirksville, Kemper likewise lost to Kirksville but won from Central, Wentworth played Missouri Valley a close game but lost to Warrensburg, while Missouri Military lost to Westminster by a close score and plays Culver-Stockton this week.

With the week's workout and with favorable weather, the Ducks are feeling more than hopeful of victory Friday, although they are facing a team much heavier and one clearly doped to win.

Firm, Plump Flesh!

MANY are the eyes that are turned to gaze with keen admiration on the well developed, healthy girl no matter where she may be—on the rapidly moving thoroughfare or gliding gracefully over the dance floor.

All eyes turn because we all appreciate the girl with the figure so firm and plump—the girl with radiantly red cheeks, cheeks that carry a touch of roses from nature's own garden——the girl with the sparkling eyes, keen and sharp—the girl with buoyancy and the swing of youth.

Not necessarily an out-of-doors girl. Just a girl with ever increasing blood cells. Just a girl filled with the vim and vigor of youth.

S. S. S., since 1826, has stood for increased blood cells. S. S. S. means restored strength—rekindled vitality—added energy. Take S. S. S. an watch the bloom of youth return t your cheeks. Watch that flabby, i nourished flesh fade away befor flesh that is firm and plump. Re blood cells will do it and S. S. S will build them. It contains only pure vegetable ingredients. S. S. S. is sold at all good drug stores. The large size bottle is more economical.

SULPHUR SOOTHES UGLY, ITCHING SKIN

The First Application Makes Skin Cool and Comfortable

If you are suffering from eczema or some other torturing, embarassing skin trouble you may quickly be rid of it by using Mentho-Sulphur, declares a noted skin specialist.

This sulphur preparation, because of its germ destroying properties, seldom fails to quickly subdue itching, even of fiery eczema. The first application makes the skin cool and comfortable. Rash and blotches are healed right up. Rowles Mentho-Sulphur is applied like any pleasant cold cream and is perfectly harmless. You can obtain a small jar from any good druggist.

If Kidneys Act Bad Take Salts

Says Backache Often Means You Have Not Been Drinking Enough Water

When you wake up with backache and dull misery in the kidney region it may mean you have been eating foods which create acids, says a well-known authority. An excess of such acids overworks the kidneys in their effort to filter it from the blood and they become sort of paralyzed and loggy. When your kidneys get sluggish and clog you must relieve them, like you relieve your bowels, removing all the body's urinous waste, else you have backache, sick headache, dizzy spells; your stomach sours, tongue is coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, channels often get sore, water scalds and you are obliged to seek relief two or three times during the night.

Either consult a good, reliable physician at once or get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys may then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help clean and stimulate sluggish kidneys, also to neutralize acids in the system, so they no longer irritate, thus often relieving bladder weakness.

Jad Salts is inexpensive, can not injure and makes a delightful, effervescent lithia-water drink. Drink lots of soft water. By all means have your physician examine your kidneys at least twice a year.

13 GIRL'S TEAMS IN CAGE TOURNEY

PARNELL ENTERED TO REPRESENT NODAWAY COUNTY.

DRAWING AT 1 O'CLOCK

Expenses to Be Paid for Teams by the College While in Maryville—Dubin to Referee Games.

Thirteen teams are entered up to date in the girls out-door basketball tournament which is to be held at the College Friday and Saturday of this week. There are nineteen counties that are eligible to send teams to represent them in the tourney and so several more girls squads are expected to enter before the end of the week.

The following are the official entries in the girls' tournament:

Parnell, Nodaway County.
Linden, Clay County.
McFall, Gentry County.
Calnesville, Harrison County.
Coffey, Daviess County.
Agency—Buchanan County.
Osborn, Caldwell County.
Edgerton, Platte County.
Oregon, Holt County.
Sampsel, Livingston County.
Cameron, Clinton County.

Central of Hardin or Richmond from Ray County: This game was played last night and the winner has not yet been certified. Dubin of Bedford will officiate.

The games will be played in seven and one-half minute quarters. Drawing for positions will be done Friday afternoon at one o'clock. Protests will be given a hearing in the morning session of the Board of Control of the Northwest Missouri High Schools.

Expenses will be paid by the college of the lodging of the teams from the time they arrive at Maryville until the next train after their elimination.

Allied Council Will Meet This Afternoon

To Demand Re-establishment Of Allied Military Control, and Explanation Of Former Prince's Return

Paris, Nov. 21—The Allied council of ambassadors this afternoon was summoned to meet at 5 o'clock to give final consideration to notices to Germany demanding re-establishment of the allied military control and an explanation as to why the former Crown Prince was permitted to return to Germany in defence of the wishes of the allies.

Games are Scheduled for Battery C. Team

Walter Smith, secretary-treasurer of Battery C basketball squad has arranged two games for the Battery quintet for the fore pare of the season. The town team of Guilford will meet the local Battery team on its court on the nights of December 7 and December 19.

The Maryville Battery boys are handicapped because the armory is not arranged for a basketball court. A game with the Maitland town team will probably be scheduled sometime in February. Other games will be scheduled in the near future.

The Battery C. basketball squad has been practicing three times a week at the College Gymnasium. Twice a week the team mixes with the College basket tossers in practice games.

Boys' Literary Society Challenge Accepted

The Boys' Literary Society of the Maryville High School met this morning at which time a program was given. The society issued a challenge to the Girl's Literary Society for a contest during the next six weeks. The challenge was accepted.

The contest will be judged on the following points: Attendance, 10 points for each member at each meeting; failure to be on the program, 50 per cent off; appearing unprepared, 25 per cent off; each new member, 10 points. Students are not considered members until they have appeared on the program.

Bazaar at Burlington Junction

The Methodist Church at Burlington Junction will have its annual bazaar under the auspices of the Industrial Society Saturday in the new armory building. There will be six booths where fancy work, handkerchiefs and infant's wear, apron, comforts and quilts, home-made candy and market products will be sold. The members will serve both dinner and supper. The meals are an important feature of the bazaar and always attract a number of persons from Maryville.

Mrs. Brick Davison and Mrs. Cleo Gregg and little daughter, Mary Louise, of Stanberry were Maryville visitors yesterday.

Local Story Writer Gains Recognition

"He-Man," a Serial By George Gorman Receives Favorable Comment By Walter Whitney

"He-Man," a serial story written by George Gorman, who is well known in Maryville, has been received with favorable notice from one of the leading monthly magazines. Mr. Gorman has received a complimentary letter from the editor of Everybody's Magazine concerning the story. Relative to this Mr. Gorman ha sto say:

"I have just received a highly complimentary letter from Walter Whitney, the chief editor of Everybody's magazine, regarding my serial story, "He-Man" sent them for publication in their magazine. This means that I have arrived, with the big uns. The magazine game is one of the hardest to break into. It is easier to publish a novel in book form on a per cent than it is to sell a story to a magazine especially the big boys.

"A man has got to sweat blood if he makes good in the magazine world and I feel that I have accomplished something. "He-Man is a western story with a cowhand for a lead. But it runs in and out of Eastern society; a dramatic story, clean and above board."

SALVATION ARMY WILL START DRIVE

tongues destroy her. The weight of sin since the day of Eve bears down upon her frail and friendless shoulders.

"Broken in spirit she needs friendly counsel, but friends are denied her. Broken in health, she needs home, but the door is closed. Broken of heart she needs love, but who would love such as she,

"There is no hope for such as I on earth nor yet in Heaven.

"The only pathway leads still further downward, into depths unspeakable, into depravity unthinkable. True there is one other way, one often chose, the black and hungry waters of the river call. There is comfort in their murmurings. There is oblivion in their depths. A whispered prayer lifts to a clouded sky, a muffled splash, the current wipes out the ripples and the waters gurgle and laugh at the secrets that glides beneath them.

"Four thousand of these girls at the point of the last whispered prayer are reclaimed by the Salvation Army every year. Hospitals for that purpose, kindly sympathy, sustaining love, intelligent help defeated the black waters, denied the underworld its prey. Except that ye be made in the image of God the Salvation Army asks nothing.

"Out of these 'Heartease Homes' the girl goes with new hope, leaving behind friends who care whether she goes right or wrong, friends to whom she knows she can always turn in her hour of need; friends who are like that Friend who said to her, 'Neither do I condemn thee, Go and sin no more.'"

If You Ever Wanted Electricity In Your Home—Now Is Your Chance To Get It

IF you have ever figured what electric light and power could do for your home—if you've ever planned to put them in sometime—if you have ever wanted them—*now* is your chance. You can buy Delco-Light today—get it installed in your home with the necessary wiring and fixtures—at the greatest saving ever offered in the history of the lighting plant business.

Your Home Needs Delco-Light

Stop just a moment and think what Delco-Light will do in your home. It will give you electric light at the turn of a switch—plenty of clean, safe economical light wherever you want it. It will give you smooth, quiet electric power to do the pumping, milking, separating, churning, washing, sweeping and many other tasks. It will lighten the burdens of the women folks. It will make home a more cheerful place for your children. It will save *you* time and money.

Co-operative Buying

Here is a real opportunity. I am arranging to order a whole carload of Delco-Light Plants, to be shipped direct to the farmers of this county. I will make a big saving on freight and handling charges. I can make an even bigger saving on installation, wiring and fixtures. And I am going to pass this whole saving along to the farmers in this county who want to save by buying Delco-Light now.

This special carload offer gives you the opportunity to share in quantity buying. It places Delco-Light within your reach at an unheard-of saving in cost.

The World's Standard Electric Plant

Remember that this is an opportunity to save in buying Delco-Light, the standard farm electric plant. You get the famous 4-cycle, air-cooled, valve-in-head engine and the thick-plate, long-lived Delco-Light Battery. You will get the standard guarantee that covers every Delco-Light Plant.

Act Now—If You Want To Save

This special co-operative offer is open to only a limited number of farmers in this county. Now is the time to buy Delco-Light if you want to save.

I am ready to send you the full facts and figures about this proposition. I am ready to lay complete details before you. Just write your name and address on a sheet of paper and mail it to me. You will not be obligated in any way.
